

The EFCE President, Professor Richard Darton,  
and the Executive Board of the Federation  
invite you to participate in the:

# EFCE Forum 2012

Saturday 25 August 2012

17:00 – 19:00hrs

Clarion Congress Hotel Prague  
Freyova 33  
Vysocany  
Prague  
Czech Republic

On the occasion of *CHISA 2012 – the 20th International Congress of Chemical and Process Engineering*, the EFCE Executive Board will initiate an important discussion on the opportunities presented by the EU Horizon 2020 framework programme for research and innovation. Invited speakers from member societies will set the scene with a series of short presentations.

Please join the Secretaries General, leaders of EFCE, Member Societies and Working Parties and share your views on the future of chemical engineering in Europe and the role of the Federation, which represents more than 100,000 chemical engineers across the continent.

The forum will conclude in time to allow CHISA delegates to attend the Festive Congress Opening.
